

## CURRICULUM VITAE

*Daniel P. Keating*

Professor of Psychology, Psychiatry, and Pediatrics  
Research Professor, Survey Research Center, Institute for Social Research

Department of Psychology  
University of Michigan  
2008 East Hall  
530 Church Street  
Ann Arbor, MI 48109-1043

Email: [keatingd@umich.edu](mailto:keatingd@umich.edu)  
Office Phone: (734) 764-7472  
Mobile Phone: (734) 660-2209

### **A. Degrees:**

- Ph.D. - The Johns Hopkins University (Psychology), 1974.
- M.A. - The Johns Hopkins University (Psychology), 1973.
- B.A. - College of the Holy Cross (Psychology), 1971.

### **B. Professional Positions**

- 2004- Professor of Psychology (Developmental), Psychiatry, and Pediatrics; Research Professor, Survey Research Center, Institute for Social Research, University of Michigan
- 2004-2008 Director and Research Professor, Center for Human Growth and Development, University of Michigan
- 2001-2005 Atkinson Foundation Professor of Early Child Development and Education, Department of Human Development and Applied Psychology, Ontario Institute for Studies in Education of the University of Toronto
- 1996- 2005 Professor, Department of Human Development and Applied Psychology, Ontario Institute for Studies in Education of the University of Toronto
- 1996-1999 Professor and Founding Chair, Department of Human Development and Applied Psychology, Ontario Institute for Studies in Education of the University of Toronto
- 1993-2012 Fellow, Canadian Institute for Advanced Research (CIFAR):
  - Founding Director, Program in Human Development (1993-2003)
  - Member, Successful Societies Program (2003- 2012)
- 1987-2005 Professor, Ontario Institute for Studies in Education, and Graduate Faculty of Education, University of Toronto
- 1983-1987 Professor of Psychology and Education, University of Maryland Baltimore County
- 1985 Visiting Scientist, Ma Planck Institute for Human Development and Education, West Berlin, FRG
- 1980-1983 Associate Professor of Psychology and Education, University of Maryland Baltimore County

- 1980-1987 Founding Director, Ph.D. Program in Applied Developmental Psychology, University of Maryland Baltimore County
- 1978-1980 Associate Professor, Institute of Child Development, University of Minnesota
- 1974-1978 Assistant Professor, Institute of Child Development, University of Minnesota
- 1974 Postdoctoral Fellow, Johns Hopkins University
- 1973-1974 Instructor in Psychology, Johns Hopkins University and Towson State University

### **C. Funded Research**

#### ***Current:***

- 2014-2021 National Institute of Child Health and Human Development (NICHD)  
Neurodevelopmental Pathways in Adolescent Health Risk Behavior  
Role: PI
- 2016-2023 National Institute of Environmental Health Science (NIEHS)  
(Subcontract from Michigan State University)  
Prenatal Exposures and Child Health Outcomes: A Statewide Study  
Role: Co-Investigator

#### ***Completed:***

- 2015-2016 Center for Advanced Transportation Leadership and Safety (ATLAS)  
Circadian Timing, Drowsy Driving, and Health Risk Behavior in Novice Adolescent Drivers  
Role: PI
- 2011-2015 University Research Corridor (URC)  
Bloodspot Environmental Epidemiology Project (BLEEP)  
UM and Lead PI  
(Co-PIs: N. Paneth, Michigan State U. & D. Ruden, Wayne State U.)
- 2013-2014 Society for Research in Child Development [SRCDD Conference Grant Proposal]  
Relevance of Population Neuroscience for Understanding Human Development  
Role: PI
- 2008-2013 National Science Foundation, Learning Sciences Branch  
IRADS: Center for Analyses of Pathways from Childhood to Adolescence  
Role: Co-PI. PI: P. Davis-Kean
- 2009-2014 Institute of Education Sciences, Social and Behavioral Research  
SECURE: Emotion and Cognitive Regulation in Early Schooling  
Role: Co-Investigator. PIs: R. Jacob & F. Morrison
- 2012-2013 NIH/ NICHD/ National Children's Study (NCS)  
Michigan Alliance for the National Children's Study: 6-month Follow-on Contract for Wayne County Study Location  
Roles: Principal Investigator for the University of Michigan; Member, MANCS Executive Committee  
Overall MANCS PI: N. Paneth, Michigan State University
- 2007-2012 NIH/ NICHD/ National Children's Study (NCS):  
Michigan Alliance for the National Children's Study  
Roles: Principal Investigator for the University of Michigan; Location PI, Lenawee County; Director of MANCS Neurodevelopmental Assessment Core; Member, MANCS Executive Committee

- 2010-2012 National Institute of Environmental Health Sciences (NIEHS)/ NIH  
Epigenetic Mechanisms of Social Disparities in Health and Development  
Senior Short-term Career Training Award (K18)  
Role: Principal Investigator
- 2009-2011 MICHHR, University of Michigan: A Pilot Study on Metals Exposures and  
Neurodevelopment Impacts in Aamjiwnaang Children  
Role: Co-Investigator. PIs: N. Basu & F. Miller
- 2005-2010 NICHD (U-10) Study of Early Child Care and Youth Development (3 U10  
HD025449-15S1; subcontract from University of Virginia GC10139-123029).  
Role: UM Principal Investigator
- 2004-2009 Canadian Institutes of Health Research (CIHR)  
Institute for Human Development, Child and Youth Health  
Role: Co-investigator (PIs: J. Jenkins [U. Toronto] and M. Boyle [McMaster U.]  
Transactional Processes in the Development of Emotion-Behaviour Regulation
- 2002-2006 NIMH Network (R-24) on Affect Regulation and Adolescent Brain Maturation  
(Collaborating Investigator; PI: Ronald Dahl, Western Psychiatric Institute &  
Clinic)
- 2001-2005 Atkinson Charitable Foundation, Atkinson Chair and Atkinson Centre for Society  
and Child Development
- 2001-2004 Human Resources Development Canada (HRDC), Toronto First Duty Project  
Role: Principal Investigator
- 2001-2004 Change Foundation (Ontario Hospital Association), Aggression Problems in  
Young Children: Early Intervention in a Community Based Approach  
Co- Principal Investigator (with F. Miller)
- 1999-2002 Invest in Kids Foundation and Lawson Foundation, Millennium Dialogue on  
Child Development
- 2000-2001 Proposal Development for Network Centre of Excellence (Industry Canada and  
Tri-Council), Society and Child Development
- 2000 Intensive NLSCY Sample: Proposal Development
- 1995-1999 Telelearning Network of Centres of Excellence (Theme Leader), Social and  
Economic Aspects of Telelearning
- 1993-2003 Human Development Program, Canadian Institute for Advanced Research  
Role: Program Director
- 1992-1996 Social Sciences and Humanities Research Council of Canada (SSHRC)/ Northern  
Telecom Joint Venture Grant on Science Culture in Canada: Development of  
Mathematical and Scientific Talent in Young Women
- 1991-1994 Natural Sciences and Engineering Research Council of Canada (NSERC)  
Operating Grant: Cognitive Processing Sources of Individual Differences
- 1988-1991 NSERC Operating Grant: Development of Expertise in Social and Abstract  
Reasoning
- 1987-1988 OISE Internal SSHRC Grant: Adolescent Development in Social Reasoning about  
Life Problems
- 1983-1987 NIMH: Adolescent Stress and Coping: A Developmental Perspective
- 1979-1980 University of Minnesota Graduate School Grant
- 1976-1981 Spencer Fellowship, National Academy of Education
- 1976 University of Minnesota Summer Research Fellowship

1974–1977 University of Minnesota Graduate School Grant  
1973–1975 U.S. National Science Foundation: Precocious Cognitive Development

## **D. Publications**

### **I: Books**

1. ***Keating<sup>1</sup>***, D. P. (2017). [\*Born Anxious: The Lifelong Impact of Early Life Adversity – and How to Break the Cycle\*](#). New York: St. Martin’s Press.  
[*Eleanor Maccoby Book Award for Developmental Psychology, American Psychological Association, 2019*]
2. ***Keating***, D. P. (Ed.). (2011). [\*Nature and nurture in early child development\*](#). New York: Cambridge University Press. [Paperback version issued September 2012.]
3. ***Keating***, D. P., & Hertzman, C. (Eds.). (1999). [\*Developmental health and the wealth of nations: Social, biological, and educational dynamics\*](#). New York: Guilford Press.  
[Paperback version issued 2000.]

## **VI. Papers Presented at Refereed Conferences and Invited Addresses**

1. Demidenko, M., Weigard, A., Huntley, E. D., Keating, D. P., Beltz, A. M. (2020). Resting state neural network correlates of heterogeneous adolescent behavior. Paper accepted for Society for Research on Adolescence Biennial Conference. Conference canceled due to COVID-19
2. Demidenko, M., Huntley, E. D., Jahn, A., Monk, C. S., Thomason, M., and Keating, D. P. (2020). Differences in Cortical and Subcortical Activation to Reward Anticipation in High- and Low-Risk Behavior Adolescents. Paper accepted for Society for Research on Adolescence 2020 Biennial Conference. Conference canceled due to COVID-19
3. Constante, K., Huntley, E. D., Keating, D. P., and Rivas-Drake, D. (2020). Ethnic Identity through a Social Reorientation Lens: Conceptualizing links with Future Orientation and Resisting Peer Influence. Paper accepted for Society for Research on Adolescence Biennial Conference. Conference canceled due to COVID-19.
4. Nasr, Hani, Huntley, Edward D., Demidenko, Michael, Wagner, Christine, Churchill, Sarah, and Keating, Daniel P. (2020). The Effect of Insufficient Sleep on Neural Reward Activation in Adolescents. Paper accepted for Society for Research on Adolescence Biennial conference. Conference canceled due to COVID-19.
5. Miller, F., Huntley, E. D., Wagner, C., and Keating, D. P. Parenting and Family Processes Reported by Adolescent Psychiatric Inpatients Compared with a Community Sample. (2020). Accepted for Society for Research on Adolescence 2020 Biennial conference. Conference canceled due to COVID-19.
6. Keating, D. P. (October, 2018). The lifelong impact of early adversity – and how to break the cycle. Keynote Address, CASA Institute, Dallas, Teas.
7. Churchill, S. Huntley, E. D., Demidenko, M., Keating, D.P. (2019). The Impact of Habitual Sleep on Adolescent Neural Reward Activation. Paper presented at the Society for Research in Child Development Biennial Meeting Baltimore, MD.
8. Demidenko, M., Hatfield, J., Huntley, E. D., Keating, D.P. (2019). Nucleus Accumbens Activation Differs Across Sensation-seeking and Age. Paper presented at the Society for Research in Child Development Biennial Meeting Baltimore, MD.
9. Scheuing, C., Huntley, E. D., Wagner, C., Churchill, S., Hatfield, J., Keating, D.P. (2019). The Role of Sleep Variability in Adolescent Error Monitoring. Paper presented at the Society for Research in Child Development Biennial Meeting Baltimore, MD.
10. Demidenko, M., Huntley, E. D., Keating, D.P. (2019). Effects of Early Life Adversity on Alcohol and Marijuana use in a Longitudinal Sample of Adolescents. Paper presented at the Society for the Study of Human Development. Portland, OR.
11. Schillinger, E., Huntley, E. D., Keating, D.P. (2019). Temporal Associations Between Reasons for Alcohol Use and Alcohol Consequences in Emerging Adults. Paper presented at the Society for the Study of Emerging Adulthood Biennial Meeting Toronto, ON.
12. Wagner, C., Demidenko, M., Huntley, E. D., Keating, D.P. (2019). Early Life Adversity Effects Sexual Behaviors in Adolescents over Transitional Period into Adulthood. Paper presented at the Society for the Study of Emerging Adulthood Biennial Meeting Toronto,

ON.

13. Eastman, A., Huntley, E.D., Keating, D.P. (2018). Adolescent Psychopathology and Substance Use: The Moderating Effect of Prospective Self. Paper presented at the Society for Research on Adolescence Biennial Meeting Minneapolis, MN.
14. Grimaldi, K. Huntley, E.D., Keating, D.P. (2018). The Longitudinal Role of Parental Involvement and Monitoring in Predicting Alcohol-Related Health Risk Behavior in Adolescents. Paper presented at the Society for Research on Adolescence Biennial Meeting Minneapolis, MN.
15. Zinn, M.E., Huntley, E.D., Keating, D.P. (2018). University of Michigan; Edward Huntley, University of Michigan; Daniel Keating, Does a Sense of Prospective Self Moderate the Effects of Childhood Adversity on Psychopathology in Adolescence. Paper presented at the Society for Research on Adolescence Biennial Meeting Minneapolis, MN.
16. Demidenko, M., Huntley, E.D., Keating, D.P. (2018). Group Differences in Performance on Balloon Analogue Risk Taking Task in Alcohol and/or Marijuana Using Adolescents. Paper presented at the Society for Research on Adolescence Biennial Meeting Minneapolis, MN.
17. Demidenko, M., Huntley, E.D., Keating, D.P. (2018). Performance Differences on Balloon Analogue Risk Taking Task in Binge Drinking and/or Marijuana Using Adolescents. Paper presented at the Society for Research on Adolescence Biennial Meeting Minneapolis, MN.
18. Keating, D. P. (March, 2018). The lifelong impact of early adversity – and how to break the cycle. Keynote Address, Community ENGaged Teas Research ALliance (CENTRAL), University of Texas, Austin.
19. Demidenko, M., Huntley, E. D., Hatfield, J. & Keating, D. P. (2018). Group Differences in Performance on Balloon Analogue Risk Taking Task in Alcohol and/or Marijuana Using Adolescents. Paper presented at Society for Research on Adolescence Biennial Meeting Minneapolis, MN.
20. Demidenko, M., Huntley, E. D., Hatfield, J. & Keating, D. P. (2018). Performance Differences on Balloon Analogue Risk Taking Task in Binge Drinking and/or Marijuana Using Adolescents. Paper presented at Society for Research on Adolescence Biennial Meeting Minneapolis, MN.

96. Keating, D. P. (1983). Discussant of a symposium on Applied Developmental Psychology at the annual meeting of the APA, Anaheim, CA.
97. Keating, D. P. (1982). Cognitive growth in adolescence: The problem of content. Invited address, First Biennial Conference on Adolescent Research, University of Arizona, Tucson, October.
98. Keating, D. P. (1982). On the necessity of a political economy of human development. Critique of a symposium, "Report of the SRCDD Congressional Science Fellows," Southeastern Conference on Human Development, Baltimore, April.
99. Keating, D. P. (1982). Social and moral development from a developmental and philosophical perspective: A critique. Chair and critic of a symposium at the American Educational Research Association (AERA) meeting, New York City, March.
100. Keating, D. P. (1981). Cognition, intelligence, and development: Enduring questions and current research. Invited address, Teachers of Psychology Conference of Maryland and Surrounding Areas. Esse Community College, March.
101. Keating, D. P. (1981). The case for an applied developmental psychology. Maryland Psychological Association, Towson State University, April.
102. Miller, K., Perlmutter, M. A., & Keating, D. P. (1980). Cognitive arithmetic: Relations between operations. Presented at the annual meeting of the APA, Montreal.
103. Keating, D. P. (1980). Adolescent cognitive development and stress adaptation. Invited paper presented at a conference sponsored by NIMH, Research Directions for Understanding Stress Reactivity and Stress Resistance in Adolescents, Bethesda, MD, September.

104. Keating, D. P., & Bobbitt, B. L. (1979). Development of cognitive processing efficiency: Internal vs. external search. Presented at an SRCD symposium, San Francisco. [Research symposium organized by D. Keating, including this paper and papers by F. Manis (see Manis, Keating, & Morrison) and M. Ford (see Ford & Keating).]
105. Keating, D. P. (1979). The formal operations construct: A critique. Discussant of a symposium, SRCD, San Francisco.
106. Keating, D. P. (1977). The acceleration-enrichment debate: Basic issues. Presented at a symposium of the AERA, New York.
107. Bobbitt, B. L., & Keating, D. P. (1977). Developmental and individual differences in long-term memory processing. Presented at AERA, New York.
108. Bobbitt, B. L., Keating, D. P., & Richardson, C. (1977). Developmental and individual differences in information processing components of mental ability. Presented at SRCD, New Orleans, LA.
109. Keating, D. P. (1976). A search for social intelligence. Presented at APA, Washington, DC.
110. Keating, D. P. (1973). Creative potential of mathematically precocious youth. Presented at APA, Montreal.
111. Keating, D. P., & Stanley, J. C. (1973). Discovering quantitative precocity. Presented at AERA, New Orleans.
112. Keating, D. P. (1972). The study of mathematically precocious youth. Presented at the American Association for the Advancement of Science, Washington, DC.
113. Keating, D. P., & Stanley, J. C. (1972). From eighth grade to selective college in one jump: Two cases in radical acceleration. Presented at AERA, Chicago, IL, March.

### **E. Honors**

- |             |   |
|-------------|---|
| 2019        | Eleanor Maccoby Book Award for Developmental Psychology, American Psychological Association, Division 7   |
| 2001 – 2005 | Inaugural Chair, Atkinson Foundation Professor of Early Child Development and Education, University of Toronto  |
| 2004        | Innovations in Early Childhood Development Research, George Brown – The Toronto City College  |
| 1993 - 2012 | Fellow, Canadian Institute for Advanced Research  |
| 1989        | Fellow, American Psychological Society  |
| 1984        | Fellow, American Psychological Association (Division 7 [Developmental], Division 15 [Educational], and Division 37 [Child, Youth, and Family Services]) |
| 1987-1988   | Award for Excellence in Research, Mensa Education and Research Foundation   |
| 1976        | American Psychological Association, Young Psychologist's Grant, International Congress of Psychology, Paris, France                                     |
| 1975-1980   | Spencer Fellow, National Academy of Education   |
| 1974        | Phi Beta Kappa  |
| 1974        | Sigma i [Scientific Research Society of North America]  |

### **F. Scholarly and Professional Activities**

- |             |   |
|-------------|---|
| 2010 - 2011 | Section Editor, <i>Encyclopedia of Adolescence</i> . Elsevier.                                    |
| 2009        | Program Panel Chair (Cognitive Development), Society for Research on Adolescence Biennial Meeting |

2007 Program Panel Chair (Cognitive Development), Society for Research on Adolescence Biennial Meeting

1998-2004 MacArthur Research Network on Adolescent Development and Juvenile Justice

1998-2001 MacArthur Research Network on Development and Psychopathology

1999- 2002 Editorial Board, *Journal of Cognition and Development*

1995-1999 Editorial Board, *Cognitive Development*

1992-1995 Member, Survey Design Committee, National Longitudinal Survey of Children and Youth (NLSCY), Human Resource Development Canada (HRDC)

1988 -1994 Member, International Committee, Society for Research on Adolescence

1993 Program Panel Chair, Society for Research on Adolescence

1985-1988 USA/Canada Corresponding Editor, *Journal of Child Psychology and Psychiatry and allied disciplines*

1982-1992 Editorial Board, *Intelligence: An Interdisciplinary Journal*

1986-1989 Editorial Board, *Journal of Applied Developmental Psychology*

1983-1987 Consulting Editor, *Developmental Psychology*

1985-1987 Member, Board of Directors, Jean Piaget Society

1983-1987 Member, U. S. National Institutes of Health, Division of Research Grants, Study Section on Human Development and Aging

1983 Chair, Program Committee, Division 7 (Developmental) of the American Psychological Association

1983 Program Panel Chair, Society for Research in Child Development

1982 Organizer and Chair, Seventh Biennial Southeastern Conference on Human Development

1981 Consultant and co-author, *Child and Adolescent Development: Five-Year Plan*. U.S. National Institute of Child Health and Human Development.

Ad Hoc Consulting Editor: *American Psychologist, Child Development, Children and Youth Services Review, Cognitive Development, Development and Psychopathology, Developmental Psychology, Developmental Review, Human Development, International Journal of Behavior Development, Journal of Adolescent Health Research, Journal of Educational Psychology, Journal of Experimental Child Psychology, Journal of Personality and Social Psychology, Journal of Public Health, Journal of Research in Adolescence Psychological Bulletin, Journal of Experimental Child Psychology, Monographs of the Society for Research in Child Development, Review of Educational Research, Social Science Research.*

Academic Prize Consultant: Frisch Prize, *Econometrica*.

Ad Hoc Grant Reviewer: National Science Foundation, NIH, NIMH, NICHD (U.S.); NSERC, SSHRC, Network of Centers of Excellence (Canada); The Fund for Scientific Research – FNRS (Belgium); Research Grants Council, Hong Kong (China)
